

SageCircle Coffee Talks

Discuss AR's Hot Topics

Coffee Talks are a *free* forum for AR professionals

Networking and chatting with peers is a great way to expand your knowledgebase. Unfortunately, we do not always have the time to go to a specific event. SageCircle's *free* Coffee Talks are our way to facilitate the development of the AR profession. A strategist or guest speaker will take five minutes to set up the topic and then it's open discussion. Please register for a *free* Coffee Talk by clicking visiting www.sagecircle.com and clicking on the coffee talk link.
